RESPONSE TO RESTRICTION REQUIREMENT
UNDER 35 U.S.C. § 121

Sir:

The present communication is responsive to an Office Action dated March 18, 2004 in the above-captioned application (the "Application") requiring a restriction of the claims submitted for examination.

As of the Office Action, claims 1-58 were currently pending in the Application. In the Office Action, it was asserted that the Application contains claims which are directed to distinct inventions. As a result, the Examiner issued a Restriction Requirement requiring the election of a single group of claims for prosecution. In light of the Restriction Requirement and the response below, several amendments have made to the claims which are reflected in the listing of claims beginning on page 2 of this paper. Remarks begin on page 14 of this paper.
